

CERTIFICATE OF REGISTRATION

The management system of certificate number **527581**

PlanetVerify

Ground Floor Block A, One Georges Quay Plaza, Dublin 2

has been assessed and certified as meeting the requirements of:

ISO/IEC 27001:2022

The scope is defined as the PlanetVerify application and underlying systems and technologies provided to customers, in their production, test, and development environments, the PlanetVerify staff and executives who support the application, systems, and technologies, the vendors' services that support the PlanetVerify application, systems, and technologies, the personal data and other information provided by customers, data subjects, and PlanetVerify staff, and the necessary hardware, software, networks, and facilities that provide production, test, and development support.

This is in accordance with the Statement of Applicability **V1.1**.

Further clarifications regarding the scope of this certificate and the applicability of requirements may be obtained by consulting the certifier.

Valid from:

Initial certification: 10 August 2021

Latest issue: 13 June 2024

Expiry date: 09 August 2027

Recertification before: 09 August 2027

Subject to annual assessments.
